

**HRH Samdech Reach Botrei Preah Anoch Norodom Arunrasmy,
Princess, Kingdom of Cambodia**

Please accept my heartfelt sympathy, thoughts and prayers to the people of India as they battle the severe resurgence of Covid-19 outbreaks. I have been following the news on the situation in India very closely and is deeply concerned about the terrible suffering of affected people and communities - is really heartbreaking.

I pray to the Lord Buddha for a quick and lasting recovery for those suffering and for the nation as a whole.

I hope you are well and safe dear brother. Please take care. You are in my prayers
